Dear Medicaid Provider Applicant:

Thank you for applying for certification with the Wisconsin Medicaid program. Once you are a Medicaid provider, you will play a significant part in improving the health of low-income people in your community.

Enclosed are the certification materials you requested. Please review these materials carefully. These materials must be completed and processed before you may become a certified provider for the Wisconsin Medicaid program and begin receiving payments.

Upon certification as a Wisconsin Medicaid provider, you will receive the All Provider Handbook containing general instructions for all providers. In addition, you will also receive publications relating to the specific services you will be providing. These publications will identify the services covered by the Medicaid program and will describe Medicaid billing procedures. After reading those materials, if you have additional questions, we encourage you to use provider services. These services include both telephone and on-site assistance. If you are interested in using these services, please contact the Provider Services Unit addresses and telephone numbers listed in the All Provider Handbook.

We realize that all providers appreciate prompt payments, so we encourage providers with computers to submit claims electronically. This method reduces clerical errors and decreases turn around time. If you are interested in electronic submission of claims and would like more information, including the free software, please contact (608) 221-4746. Information is included in your certification materials regarding electronic submission of claims.

Thank you, again, for your interest in becoming a certified Wisconsin Medicaid provider and for the important services that you will provide to Medicaid recipients. If you have any questions about enclosed materials, please contact the Wisconsin Medicaid Correspondence Unit at (608) 221-9883 or toll-free at 1-800-947-9627.

Sincerely,

Peggy B. Handrich

Certification Effective Date

Wisconsin Medicaid regulations are followed when assigning your initial effective date as described here:

1. The date you notify Wisconsin Medicaid of your intent to provide services is the earliest effective date possible and will be your initial effective date **if**:
   - You meet all applicable licensure, certification, authorization, or other credential requirements as a prerequisite for Medicaid on the date of notification. Do not hold your application for pending licensure, Medicare, or other required certification. Wisconsin Medicaid will keep your original application on file. Send Wisconsin Medicaid proof of eligibility documents immediately once available for continued processing.
   - Wisconsin Medicaid receives your **properly completed certification** application within 30 days of the date the application was mailed to you.

2. If Wisconsin Medicaid receives your application more than 30 days after it was mailed to you, your initial effective date will be the date Wisconsin Medicaid receives your correctly completed application.

3. If Wisconsin Medicaid receives your incomplete or unclear application within the 30-day deadline, you will be granted one 30-day extension. Wisconsin Medicaid must receive your response to Wisconsin Medicaid's request for additional information within 30 days from the date on the letter requesting the missing information or item(s). This extension may allow you additional time to obtain proof of eligibility (such as license verifications, transcripts, other certification, etc.)

4. If you don't send complete information within the original 30-day deadline or 30-day extension, your initial effective date will be based on the date Wisconsin Medicaid receives your complete and accurate application materials.

Notification of Certification Decision

Within 60 days after Wisconsin Medicaid receives your completed application, you will be notified of the status of your certification. If Wisconsin Medicaid needs to verify your licensure or credentials, it may take longer. You will be notified as soon as Wisconsin Medicaid completes the verification process.

If you are certified to provide Medicaid services, you will receive written notice of your approval, including your Wisconsin Medicaid provider number and certification effective date.

Notification of Changes

Your certification in Wisconsin Medicaid is maintained only if your certification information on file at Wisconsin Medicaid is current. You must inform Wisconsin Medicaid in advance of any changes such as licensure, certification, group affiliation, corporate name, ownership, and physical or payee address. **Send your written notice to Wisconsin Medicaid Provider Maintenance** This notice must state when these changes take effect. Include your provider number(s) and signature. Do not write your notice or change on claims or prior authorization requests.

Failure to notify Wisconsin Medicaid of these types of changes may result in:

- Incorrect reimbursement.
- Misdirected payment.
- Claim denial.
- Suspension of payments in the event provider mail is returned to Wisconsin Medicaid for lack of current address.

Provider Agreement Form

Your agreement to provide Medicaid services must be signed by you and the Wisconsin Department of Health and Family Services. This agreement states that both parties agree to abide by Wisconsin Medicaid's rules and regulations.

The agreement is valid for a maximum of one year. All Provider Agreements expire annually on March 31. The Department of Health and Family Services may renew or extend the Provider Agreement at that time.

You cannot transfer, assign, or change the Provider Agreement.

The application includes two copies of the Provider Agreement. Complete, sign, and return both copies. Type or clearly print your name as the applicant's name both on the line on page 1 and on the appropriate line on the last page of the agreement. You must use the same provider name on the application forms and Provider Agreement. When the certification process is complete, you will receive one copy of your processed and signed Provider Agreement. The other copy will be kept in your Wisconsin Medicaid file.

Terms of Reimbursement (TOR)

The TOR explains current reimbursement methodologies applicable to your particular provider type. It is referenced by, and incorporated within, the provider agreement. Keep the TOR for your files.

Certification Requirements

The Wisconsin Administrative Code contains requirements that providers must meet in order to be certified for Wisconsin Medicaid. The code and any special certification materials applicable to your provider type are included as certification requirements.

Publications

Along with your notice, Wisconsin Medicaid will send one copy of all applicable provider publications. The publications include program policies, procedures, and resources you can contact if you have questions.

Many clinics and groups have requested to receive only a few copies of each publication, rather than a personal copy for each Medicaid-certified individual provider in the clinic or group. If you are an individual provider who is a member of a Medicaid-certified clinic or group, you may reassign your copy to your clinic or group office. Please decide if you wish to receive your personal copy of Medicaid publications or if it is sufficient for your Medicaid-certified clinic or group office to receive copies.

If you do not wish to receive personal copies of Medicaid publications, please complete the attached "Deletion from Publications Mailing List Form." If you wish to have your copy of publications reassigned to your clinic or group, also complete the "Additional Publications Request Form."

PORTABLE X-RAY PROVIDER CERTIFICATION CRITERIA

Per Section HFS 105.44, Wisconsin Administrative Code:

"For MA certification, a portable x-ray provider shall be directed by a physician or group of physicians, registered pursuant to s. 140.54, Stats., and ch. HFS 157, certified to participate in Medicare, and shall meet the requirements of 42 CVFR 405.1411 to 405.1416."

The Wisconsin Medicaid program must verify the Medicare certification before a provider number can be issued. If available, send a copy of your Medicare certification notice with your application.

If you are not Medicare certified, you must apply via a separate application. Information regarding Medicare certification may be obtained from the Bureau of Quality Assurance, P.O. Box 2969, Madison, WI 53710-2969.

Do not hold your application until you receive your Medicare certification. If you have not yet had your Medicare survey or received your Medicare certification notice, Wisconsin Medicaid will hold your application on file until a copy of your approval is received by the Wisconsin Medicaid program. You can facilitate this process by sending a copy of your Medicare certification notice to Wisconsin Medicaid as soon as you receive it. **You must send this notice to be received by Wisconsin Medicaid within 30 days of the letter's date** for the earliest possible Medicaid effective date to be assigned.

PORTABLE X-RAY
TERMS OF REIMBURSEMENT

The Department will establish maximum allowable fees for all covered portable x-ray services provided to Wisconsin Medicaid program recipients eligible on the date of service. The maximum allowable fees shall be based on various factors, including a review of usual and customary charges submitted to Wisconsin Medicaid, the Wisconsin State Legislature's Medicaid budgetary constraints, and other relevant economic limitations. Maximum allowable fees may be adjusted to reflect reimbursement limits or limits on the availability of federal funding as specified in federal law.

Providers are required to bill their usual and customary charges for services provided. The usual and customary charge is the amount charged by the provider for the same service when provided to non-Medicaid patients. For providers using a sliding fee scale for specific services, the usual and customary charge is the median of the individual provider's charge for the service when provided to non-Medicaid patients.

For each covered service, the Department shall pay the lesser of a provider's usual and customary charge or the maximum allowable fee established by the Department. Wisconsin Medicaid reimbursement, less appropriate copayments and payments by other insurers, will be considered to be payment in full.

The Department will adjust payments made to providers to reflect the amounts of any allowable copayments which the providers are required to collect pursuant to Chapter 49, Wisconsin Statutes.

Payments for deductible and coinsurance payable on an assigned Medicare claim shall be made in accordance with Section 49.46(2)(c), Wisconsin Statutes.

In accordance with Federal regulations contained in 42 CFR 447.205, the Department will provide public notice in advance of the effective date of any significant proposed change in its methods and standards for setting maximum allowable fees for services.
